**NEW YORK, NY**

Come meet nonprofits supporting causes like, the arts, education, community health, the environment, youth development, and more.

Board service is for anyone, whether you're just starting out, a mid-career professional, or a seasoned philanthropist, there is a nonprofit that will value your talents. Serving on a nonprofit board can provide fantastic opportunities for your personal and professional development. Build new skills, network, broaden your knowledge of the community, and provide essential expertise to nonprofits.

Board Match<sup>®</sup> is a casual business networking event where the chief executives and board leaders from a wide range of local nonprofits are all in one place, looking to meet and recruit you for their boards of directors.
