100 Women in Finance NextGen Groups

100 WOMEN IN FINANCE OVERVIEW

100 Women in Finance (100WF) is a global network of professionals in the finance and alternative investment industries working together to empower women at every stage of their careers. Through peer engagement, philanthropic, and educational initiatives, our more than 15,000 members in 23 locations are making connections and creating opportunities that help to advance careers and strengthen our field.

100WF NEXTGEN GROUPS

NextGen Groups are a cohort of 100WF members in the first decade of their finance careers. NextGen Groups provide an educational and networking forum at which women can build lasting, synergistic relationships. NextGen committee members organize events in 9 locations including Cayman, N. California, S. California, Dublin, Hong Kong, London, New York, Singapore, and Toronto on industry education topics and more intimate gatherings to develop a community of strong, early-career women who will ultimately guide each other through the progression of their careers. To foster a communal atmosphere, NextGen membership is by invitation only.

We invite you to learn more about our organization, initiatives and content on our website and social media platforms.
