100 Women in Finance's more than 15,000 members strengthen the global finance industry by empowering women to achieve their professional potential at each career stage. Its members inspire, equip, and advocate for a new generation of industry leadership, in which women and men serve as investment professionals and executives, equal in achievement and impact.

Through **Education, Peer Engagement** and **Impact**, the organization furthers the progress of women who have chosen finance as a career, and enables their positive influence over pre-career young women.

MEMBERSHIP

100WF's diverse membership is drawn from professionals in alternative investments, as well as the wider finance industry. Membership reflects each career stage – from university and graduate school students, to those in the first decade of their careers, to the most experienced, senior levels of investment and executive leadership. 100WF is open to all – women and men. Members either self-sponsor modest annual access fees, or may join the organization under special arrangement with employer sponsors.

INVESTING IN THE NEXT GENERATION

100WF's Investing in the Next Generation Initiative reaches, inspires, and supports young women who are the finance industry's leadership pipeline by:

- Encouraging female students to look favorably at careers in finance and investments
- Creating educational opportunities and access points for them to join the industry
- Enabling ongoing peer networks for early-career women
- Presenting greater visibility of female role models

FUNDWOMEN

FundWomen is 100WF's umbrella effort elevate the public profile of female investment professionals, and to enable stronger connectivity with institutional allocators and investors. FundWomen is expressed through the assistance 100WF provides to the media, to investment conference organizers and institutional investors who wish to benefit from the diverse investment talent that exists in the finance industry.

Women in Finance

A career-long resource for our members. 100 Women in Finance supports women in advancing their careers through **Education**, leveraging relationships through **Peer Engagement**, and creating **Impact** within the finance industry and by enabling greater opportunity for young women of all backgrounds.

Peer Engagement

100WF's targeted peer engagement initiatives help the finance industry to recruit, retain and propel women toward success at every career stage:

- Female Investment Professional Visibility Campaign
- FundWomen Investment Conferences
- Investing in the Next Generation Initiative and NextGen Groups
- Peer Advisory Groups
- Job Board for Sourcing Diverse Talent
- Corporate and Private Boards Initiative
- Industry Leadership Awards

Impact

Today, 100WF's fundraising supports its initiatives, and those of program partner organizations, dedicated to *Investing in the Next Generation*. 100WF provides role models and establishes purposeful pathways into the finance industry for women of all backgrounds. Since its founding, 100WF has raised approximately \$50 million USD (gross), allowing its global program partners to positively impact the lives of those they serve.

Education

The financial markets and the investment industry are evolving constantly and quickly. 100WF's educational events address member-identified topics with insights from experts and influencers, typically in intimate settings that promote high-level discourse. 100WF has produced more than 1,000 education sessions in our 24 locations, including presentations by more than 1300 female industry leaders. Representative recent events include:

New York
Hong Kong
London
