Corporate Sponsorship of 100WF Memberships

100 Women in Finance's (100WF) more than 15,000 members strengthen the global finance industry by empowering women to achieve their professional potential at each career stage. Its members inspire, equip and advocate for a new generation of industry leadership, in which women and men serve as investment professionals and executives, equal in achievement and impact. Through Education, Peer Engagement and Impact, the organization furthers the progress of women who have chosen finance as a career, and enables their positive influence over pre-career young women.

EDUCATION

100WF offers unique educational programming – both in person and on-line – including panel discussions on industry issues, talks by icons and professional development sessions. Members also enjoy on-demand access to recordings of these events. Education events are free of charge to members. Upcoming education events are [here](#).

PEER ENGAGEMENT

100WF enables important peer connections that are known to support longer, more satisfying careers. Our by-invitation groups are for senior practitioners and members in mid- and early-stage careers. Senior practitioners gather for smaller-group discussion of business topics and networking through our functional Peer Advisory Groups (PAGs). Our Mid-Career/Bridge Groups (for those with 10-18 years of industry experience) and our NextGen Groups (for those in the first decade of their careers) are focused on the professional development and networking interests of those cohorts. IMPACT

100WF delivers Impact by strengthening and diversifying the industry's investment and executive talent, and by creating purposeful pathways toward careers in finance for pre-career young women of all backgrounds. Our fundraising efforts support our Investing in the Next Generation work and external program partners that support our mission. 100WF has raised nearly USD \$50 million (gross) through annual Galas held in New York, London and Hong Kong, and fundraisers in other cities around the globe.
