100 Women in Finance's more than 15,000 members strengthen the global finance industry by empowering women to achieve their professional potential at each career stage. Its members inspire, equip, and advocate for a new generation of industry leadership, in which women and men serve as investment professionals and executives, equal in achievement and impact.

100WF's membership is drawn from the broad finance industry, increasingly including those working in fintech subsectors. Members represent each career stage – from graduate school students, to those in the first decade of their careers, to the most experienced, senior levels of executive leadership. 100WF is open to all – women and men. ORGANIZATIONAL PRIORITIES

100WFinTech is a global visibility initiative for female fintech leaders that elevates their public profiles and enables relationships within the fintech ecosystem. Targeting female fintech founders and those who are transforming the financial services landscape, 100WFinTech enables collaboration, idea exchange, best practice sharing, experience leverage and strong relationships across fintech's subsectors:

→ Artificial Intelligence → Alternative Data → Fintech Investors → Blockchain/Digital Assets → Robo/Wealth Management → Alternative Finance → Cybersecurity → Digital/Open Banking → Payments/Money → Transfer → Insurtech → Proptech → Regtech → AI-driven Portfolio Management

FundWomen is 100WF's umbrella effort to elevate the public profile of female investment professionals, and to enable stronger connections to institutional allocators and investors. FundWomen is expressed through 100WF's assistance to the media, investment conference organizers and institutional investors who wish to engage with the industry's diverse investment talent.
